

BUYING PRE-OWNED WITH LESS RISK

Buying a used boat can feel risky because...

- Private-party sellers often won't stand behind their boat.
- You may not know what to look out for when inspecting it.
- You don't know where that boat has been or what it has been through.
- You may not have a trusted party to turn to if and when you need service.

Avoid that risk and gain peace of mind when you buy your boat through the MRAA Certified Pre-Owned Boat Program

You will have the confidence in knowing that the dealer has:

- **Inspected:** By their professional staff using MRAA's industry-leading, comprehensive 130-point inspection.
- **Verified:** By a comprehensive review of the boat's history, including insurance claims, registration information, title history and more.
- **Analyzed:** Through an exclusive, third-party, fluid analysis including an in-depth engine and transmission health report.
- **Guaranteed:** Receive a \$1,500, 3-month or 55-hour guarantee on the internally lubricated engine and transmission parts.
- **Partnered:** Local service and support from your dealership offers the ultimate partnership to keep your boat running and you on the water.

The MRAA Certified Pre-Owned Boat Program, its trusted partners and dealers stand behind your boat to give you the peace of mind you need to enjoy your time on the water with friends and family.
